12 Days of Winter Break

DIY Bookmarks

What You Need:

- old greeting card
- scissors
- hole punch
- ribbon

Make your own special bookmark from a favorite greeting card!

Instructions:

1. Cut a thin section of the card from the area of your choice.
2. Punch a hole at the top and loop a ribbon through it.
3. Trim the ribbon at a slight angle.
4. Round the corners of the bookmark if desired.
