School Year Reading Program for Grades K-5

Mark your log each time you have read for 30 minutes. This is flexible. For example, if you read 15 minutes in the morning and 15 minutes at night you can mark off 30 minutes on your log.

Listening to an audiobook or reading a book for school can count towards your total reading log.

Once you have read for 15 hours, you will be entered into a prize drawing for a \$25 Target gift card. Turn in your completed log by **Wed, Apr 30**, to be entered into the prize drawing this school year. You can complete up to 4 Bonus Reading Logs during the program.

Want to go paperless? Track your reading online with Beanstack. Download the app so you can track your reading wherever you go!
