### Instructions:

1. Sketch out your maze ideas. Choose a design.
2. Using the cardstock or paper, build a base for your jingle bell maze. You will need a bottom and 4 sides. Secure with tape. *Remember: You will need to tilt the box to move the jingle bell.*
3. Build your jingle bell maze! Use the straws to make a path for your jingle bell from start to finish.
4. Show off your creation!
