Instructions:

1. On the black paper, trace your hand or have a grown-up help.
2. Cut out the hand.
3. Cut a circle out of the white paper or felt. Cut out an orange beak.
4. Glue the circle on the hand for the penguin's belly.
5. Glue the beak and googly eyes to the penguin. You can also make your own eyes if you like.
6. You can glue the finished penguin to a piece of paper if you like and decorate the background!
