

# 15 Days of Winter Break

## Thank You Cards

### What You Need:

- watercolor paint
- white crayon
- watercolor paper, cardstock, or blank thank you cards
- paintbrushes

### Instructions:

1. With the white crayon, draw an image or your words on your thank you card. You won't be able to see your image or words because of the white-on-white.
2. Next, paint over the crayon to reveal your design!
