

# 15 Days of Winter Break

## Painting with Ice Cubes

### What You Need:

- cup of water
- ice cube tray
- Popsicle sticks
- food coloring
- paper

### Instructions:

1. Pour water into the ice cube tray
2. Add drops of food coloring into the cube slots.
3. Lay a Popsicle stick into each ice cube mold.
4. Place the tray in the freezer and leave for 4-6 hours until frozen.
5. Once the cubes are frozen, pull the sticks out of the tray and start painting!
